Address Format

- The addresses should be written in “block letters” by preference.
- It's necessary to indicate the type of street for example:

Type of road in Spanish	Abbreviation of type of road in Spanish	Type of road in English
Calle	Calle	Street
Jirón	Jr.	Urban road composed by several streets or street sections between corners
Avenida	Av.	Avenue
Pasaje	Psje.	Passage

Or any other type of street should be specified.

- When the name of a street ends with a number (Calle 10), the numero sign “N°” should be used to separate the numeric end of the street name from the number of the house in this street: (for example: Calle 10 N° 985).
